Dear Parents,

Greetings from T.M. Patel International School!

" Each word has its own story to tell. Spelling aids in reading and helps cement the connection that is shared between sounds and letters."

Language plays an important role in the all-round development of a student. An appropriate word with correct spelling conveys the right message.

Thus to enhance and enrich the vocabulary of students, Spell Bee Competition is being organized in school. Hence, the competition is integrated in their learning process and the details are shared here.
